

Privacy Policy

This privacy policy describes the privacy-related policies and practices for **M & M Heating & Air Conditioning Service Co.** websites, products, and services.

Privacy Policy for our public website at <https://www.mmheatair.com/>

(our "Website") This section explains what and how **M & M Heating & Air Conditioning Service Co.** collects, uses, stores and protects the information gathered from its Website. By using and visiting the Website, you agree to this Policy and the uses made of your information as set forth herein or amended hereafter.

Collection and Use of Information

M & M Heating & Air Conditioning Service Co. does not collect personally identifiable information (e.g., postal address, email address, telephone number) about you unless you choose to provide it to us through an online form on our Website or via e-mail. Typically, clients or prospective clients provide us with information. We will use this information only for the purposes for which you provided it and will store it for a reasonable time for legitimate business purposes.

Our Website also automatically creates logs regarding your visits to <https://www.mmheatair.com/>, such as features that you use, the actions that you take, and the information that you access. We generally use this information in statistical and aggregate formats to assess the effectiveness of our Website, to better understand the ways the website is being used and to improve the Website experience.

Use of Cookies

We only collect data for use to provide you information on digital marketing for your business. If you want your data deleted from our records, please send us an email parts@mmheatair.com. We use cookies on the website to customize and provide personalized information to help you succeed in your business.

Additional Privacy Information Applicable to all M & M Heating & Air Conditioning Service Co. Products, Sites and Services

Data Security/Integrity

M & M Heating & Air Conditioning Service Co. has reasonable security measures in place to the information in our care from loss, misuse, alteration or destruction. Only authorized employees have access to the data you provided and that access is limited by need. Our employees who have access to the data you provided have agreed to maintain the confidentiality of such information. No method of transmission over the Internet or method of electronic storage is 100% secure; therefore, while the company strives to use commercially acceptable means to protect your information, it cannot guarantee absolute security.

Children's Privacy

We intend the Website to be used only by adults. Children are to obtain their parents' permission prior to sending any personally identifiable information to us over the Internet.
